

What's the approximate acceptance rate?

Written by Administrator

Wednesday, 27 August 2008 06:17 - Last revised Wednesday, 27 August 2008

We are seen an average acceptance rate of 60% to 90%. We do not have any control over the acceptance rate as it is 100% up to the article directory owner to approve the articles. Our job is to distribute articles to these directories, and we can assure you we will.

If you have any other quires regarding our service please [contact us](#)
