Backlinks Service

Article Submission

We will manually submit your articles to highly ranked article directory sites. Most of these article directories will require us to sign up for a unique account before we can start with the submission of your articles.

We will go the extra mile to create a new email ID to make sure that you will not receive any newsletters or spam from these sites. Article submission is a proven method used by SEO experts all around the world to get high quality and one way backlinks. And the best part is, these articles will attract highly targeted traffic to your site too.

Our standard package will include submission of your articles with maximum of 2 backlinks to your site in the author resource box.

- Your articles will be manually submitted to all the article directory sites
- Backlinks to your sites are one way and will be permanent. There will be no reciprocal links required.
- We took pride in providing high quality customer support. Rest assured that your queries will be answered within 24 hours.
- Full report for each of our service will be provided.
- Your articles will be submitted to high quality and high PR article directory sites.
- Please provide us with the maximum of 2 anchor text for your author's resource box.

Please Note We will not accept submission tasks for porn websites.
